

# Respect, Responsibility & Safety at South Row

## South Row's Three School Expectations:

1. Be Respectful
2. Be Responsible
3. Be Safe

At South Row we believe that if we are showing respect, responsibility and safety, then we are making expected choices and are ready to learn. Respect, responsibility and safety look different in different places around our building. Our South Row passport defines what these expectations look like around our school.

## Lion P.R.I.D.E. Core Values

### **P – Perseverance**

Definition: To work hard and not give up even when something is difficult

### **R - Respect**
